

## Test Updates to comply with CARES ACT Section 18115

Date: July 23, 2020

Dear Regional Pathology Services Clients,

Recent mandates under the CARES Act Section 18115 is requiring certain Ask at Order entry questions (AOE's) for any COVID testing. These requirements take effect 8/1/20. In order to comply with these changes we ask clients to provide this information when submitting for COVID testing to our facility or build these AOE's in their interfaces. These result codes will take effect in our LIS systems on 7/30/20. In addition, we had to change the order code for COVID19 antibody testing from SAR2G to SAR2GB.

*We apologize for the inconvenience and as always Thank You for your patience during these unprecedented times.*
