

## Lab Alert: New Test Code for Serum Viscosity

Date: April 21, 2023

Dear Regional Pathology Services Clients,

A new code has been created for the serum viscosity test. The code has changed from a special procedure order code. **The new Serum Viscosity test code is: VISS.**

**Specimen Requirements:** Serum separator tube or a plain red top.

**Reported:** The test is performed Monday through Friday but result reporting may take 1-4 days from submission.

**Reference Range:** The reference interval is 1.10 – 1.80 centipoise (cP).
