

Service Update— Additional Testing Restored

Dear Regional Pathology Services Clients,

We continue to work through the recovery phase following the recent water-related incident that affected instrumentation in the Microbiology and Serology Laboratories.

The following tests are expected to resume in-house on August 25th.

- ANA (ANASCR, ANAIF, ANAFLX, ANAPN)
- Measles (MEAT)
- Mumps (MUMPG)
- Rubella (RUBG)
- Varicella (VZVT)

Please inactivate ANA test codes IFAANA and ANARUP on August 25th.

We appreciate your flexibility and patience as we work through the recovery process.
