

LAB ALERT: Temporary Delay in TAT for Tissue Transglutaminase IgA Antibody

Dear Regional Pathology Services Clients,

Due to a manufacturing issue, the reagent for the Tissue Transglutaminase IgA (tTG-IgA) standalone and panel test(s) to detect and monitor celiac disease has been delayed. We expect to receive our shipment the first week of January.

All specimens with tTG-IgA orders will be held and testing completed as soon as possible.

TESTS AFFECTED:

[CELSCR](#)— Celiac Disease Screen

[TTGA](#)— Tissue Transglutaminase (tTG) IgA (TTGA)
