RE: ASHI Accreditation No. **01-4-NE-02-1**  
CLIA No. **28D0453728**  
UNOS No. **08NEUN**

Dear Dr. Wisecarver:

I have received and reviewed all of the materials sent to me by Vera Hauptfeld-Dolejsek, PhD, D(ABHI), your ASHI Commissioner, in regards to your recent inspection by Marian Tamondong-Reside. I am in concurrence with the recommendations of your Commissioner that your laboratory has successfully demonstrated compliance with all mandatory ASHI Standards.

On the basis of the recommendations from your Commissioner, the Molecular Diagnostics Laboratory of the Nebraska Medical Center, 01-4-NE-02-1, under the direction of James Wisecarver, MD, PhD is granted accreditation for the following:

**Areas of Accreditation:**

HSC/BM Transplantation: Related Donor  
HSC/BM Transplantation: Unrelated Donor  
Solid Organ Transplantation: Deceased Donor  
Solid Organ Transplantation: Live Donor  
Histocompatibility Testing For Other Clinical Purposes

**Categories & Systems:**

HLA Typing Class I: Molecular
HLA Typing Class II: Molecular
HLA Antibody Detection: Solid phase
HLA Antibody Identification: Solid phase
Crossmatching: CDC; AHG; Flow cytometry
Next Generation Sequencing

Accreditation for the above areas of accreditation, categories, and systems will be valid until 8/31/2022, pending successful completion of an interim, self-inspection cycle next year. Your laboratory is accredited by ASHI for the following CMS subspecialties: Histocompatibility Testing.

You and your laboratory staff are to be commended for maintaining ASHI's high standards for laboratory performance and patient service.

Should you have any questions about the inspection or accreditation process, please contact the appropriate commissioner or the ASHI Accreditation Office at (651) 202-3637.

Sincerely,
