

Test Update: Changes to Toxic Alcohol and Ethylene Glycol Testing

Date: March 23, 2021

Dear Regional Pathology Services Clients,

Due to low volumes our laboratory will no longer be running ethylene glycol and toxic alcohol testing in-house. They will now be sent out to our reference laboratory, effective Thursday, April 1st, 2021. We apologize for any inconvenience this may cause.

Specimen requirements are unchanged

Interfaced Clients:

Please deactivate old test codes TOXALC and ETHGLY.
